

Dear Radley Run members,

We are pleased to announce that we will be running our Junior Tennis Program as planned starting June 15th. However, due to Covid-19, space is limited this year.

Please go to the club's website to find the revised schedule for this years academy. If you have already registered for this years Academy then you don't need to do anything further.

Sign up on our website by June 1st for an early registration discount, regular registration ends June 5th. In addition, we will be welcoming our New Junior Director who is going through the Hiring process as we speak.

There will not be a drop in option this year as ALL class sizes are limited and we are staffing based on registration for each time slot.

We understand that this is an unusual time and we will keep applying the safety guidelines throughout the summer, please look at the clubs website under Junior Tennis Academy to find our safety protocols.

We will be emphasizing the following:

- \*Only pros allowed to touch the balls
- \*Social distancing -kids will be 6 feet apart (we will be using plastic dots on the courts spaced accordingly)
- \*Kids must bring their own water/towel
- \*Hand sanitizer will be available at the courts
- \*We will be limited to 5 kids per court/instructor to maintain control and adhere to social distancing

Please feel free to contact me if you have any questions, looking forward to seeing you all!

Take care, enjoy!
